CLEANSING

MICELLAR CLEANSING WATER

Details: A gentle make-up remover rich in natural plant extracts and panthenol with toning and soothing effect. Moisturizing effect is enhanced by the passion fruit and lemon balm extracts and refreshing orange water. Micellar structure effectively cleanses all skin types, also sensitive skin prone to irritation and redness.

How to use: Soak the cotton pad and wipe the face and eyes. Repeat if necessary. It does not require rinsing.

All skin types

INCI: Aqua, Polyglyceryl-4 Caprate, Decyl Glucoside, Citrus Aurantium Amara Flower Water, Glycerin, Panthenol, Passiflora Edulis Fruit Extract, Melissa Officinalis Extract, Symphytum Officinale Root Extract, Citric Acid, Sodium Benzoate, Potassium Sorbate, Dehydroacetic Acid, Benzyl Alcohol, Parfum, Citronellol, Geraniol.

ACTIVE INGREDIENTS

Passion fruit extract

Moisturizing action is associated with the presence of vitamins: A, B, C and minerals. It calms irritated skin. Gives a regenerating effect (alpha-hydroxy acids).

Lemon balm extract

Calms and softens the sensitive skin. It has a toning, refreshing and cooling effect. Regulates the secretion of sebum.

HYDRATING CLEANSING EMULSION

Details: It thoroughly cleanses the skin without the feeling of puckered or dry skin. Effectively removes make-up and impurities, while the cucumber extract refreshes your skin. The formula enriched with linden extract and aloe gel moisturizes and soothes, restoring the feeling of comfort.

How to use: Apply 1-2 doses of emulsion to the slightly moistened face and neck. Gently massage in circular motions until fine foam is obtained, then rinse thoroughly with water. After cleansing, use Pure by Clochee Soothing Mist to restore the skin natural pH.

Dry and dehydrated skin

INCI: Aqua, Cocamidopropyl Betaine, Lauryl Glucoside, Glycerin, Aloe Barbadensis Leaf Juice, Tilia Cordata Flower Extract, Allantoin, Cucumis Sativus Fruit Extract, Panthenol, Algin, Lactic Acid, Xanthan Gum, Sodium Benzoate, Potassium Sorbate, Dehydroacetic Acid, Benzyl Alcohol, Parfum, Limonene, Linalool.

ACTIVE INGREDIENTS

Aloe

Rich in amino acids, gives the effect of intense hydration, thanks to which the skin maintains correct elasticity and hardness. It relieves irritation and inflammation, supports regenerative processes and strengthens the natural protective barrier of the skin. Has a cleansing and bactericide properties.

Linden extract

It gives soothe and tender effect. Calms and reduces skin irritation and redness. Reduces skin tension.

BALANCING CLEANSING GEL

Details: It thoroughly cleanses the skin without the feeling of puckered or dry skin. Effectively removes the excess of sebum, make-up residues and impurities. Gel is enriched with exfoliating, sebum-regulating and soothing plant extracts from willow, burdock, calendula and horsetail.

How to use: Apply 1-2 doses of gel to the slightly moistened face and neck, avoiding the eye area. Gently massage in circular motions until fine foam is obtained, then rinse thoroughly with water. After cleansing, use Pure by Clochee Calming Face Mist to restore the skin natural pH.

Oily, mixed and acne skin

INCI: Aqua, Cocamidopropyl Betaine, Sodium Cocoamphoacetate, Glycerin, Equisetum Arvense Extract, Allantoin, Panthenol, Salix Alba Bark Extract, 4-Terpineol, Salicylic Acid, Calendula Officinalis (Calendula) Flower Extract, Arctium Lappa Extract, Methylpropanediol, Citric Acid, Xanthan Gum, Sodium Benzoate, Potassium Sorbate, Dehydroacetic Acid, Benzyl Alcohol, Parfum, Citronellol, Geraniol.

ACTIVE INGREDIENTS

Willow extract

The content of tannins and salicylates provides a strong anti-inflammatory, bacteriostatic and keratolytic activity. It regulates the secretion of sebum. The extract does not cause skin irritation!

Horsetail extract

It works sebougly, normalizes the functioning of sebaceous glands. It reduces the risk of bacterial infections on the skin surface. The current quercetin nourishes sensitive and vascular skin.

CALMING FACE MIST

Details: Extremely mild formula, based on lavender hydrolate, flax extract and soothing panthenol. The mist immediately refreshes and tones, restoring the proper pH to the skin and preparing it for further care. Aloe gel ensures proper hydration, and the smoothing properties of chamomile extract soothe visible skin redness. The delicate aroma of the mist positively affects the senses, making the daily care ritual more pleasant.

How to use: Spray on the face and leave to absorb. The mist can be used in several ways: under a cream, under a serum, , alone, as a makeup finish or for refreshing the skin during the day.

All skin types

INCI: Aqua, Glycerin, Lavandula Angustifolia (Lavender) Flower Water, Aloe Barbadensis Leaf Juice, Rosa Damascena Flower Water, Panthenol, Chamomilla Recutita Extract, Linum Usitatissimum Seed Extract, Polyglyceryl-4 Caprate, Polyglyceryl-4 Laurate/Sebacate, Polyglyceryl-6 Caprylate/Caprate, Citric Acid, Sodium Benzoate, Potassium Sorbate, Parfum, Limonene, Linalool

ACTIVE INGREDIENTS

Lavender hydrolate

It has a soothing, anti-inflammatory, antiseptic and calming effect. As an antioxidant, it protects the skin against free radicals (it inhibits the aging process).

Flax extract

The richness of linolenic and linoleic acids, strengthen the epidermal barrier, inhibiting TEWL (transepidermal water loss) and ensuring proper moisturizing. The extract gives the effect of softening and smoothing the surface of the skin and also relieves its irritation.

CARE

NOURISHING PROTECTIVE CREAM

Details: The unique combination of rice oil and sea buckthorn oil strengthens the lipid barrier of the epidermis, improves skin tone and reduces fine wrinkles. Formula enriched with antioxidant extracts of green tea and ginkgo reduces the harmful effects of free radicals. Cocoa butter and shea butter create an occlusive layer protecting the skin against negative external factors. Concentrated formula of the cream is absorbed quickly and gives the skin a pleasant feeling of comfort.

How to use: Apply to cleansed face, neck and cleavage and gently massage. Use in the morning and/or evening.

Dry skin

INCI: Aqua, Caprylic/Capric Triglyceride, Glycerin, Olea Europaea (Olive) Husk Oil, Rosa Damascena Flower Water, Glyceryl Stearate Citrate, Polyglyceryl-3 Palmitate, Cetearyl Alcohol, Sorbitan Stearate, Oryza Sativa (Rice) Bran Oil, Butyrospermum Parkii (Shea) Butter, Prunus Domestica (Plum) Seed Oil, Trifolium Pratense Flower Extract, Camelia Sinensis Extract, Ginkgo Biloba Leaf Extract, Sucrose Cocoate, Hippophae Rhamnoides Oil, Olea Europaea (Olive) Fruit Oil, Kaolin, Hydrolyzed Glycosaminoglycans, Hyaluronic Acid, Lecithin, Tocopherol, Lavandula Angustifolia Flower Extract, Citric Acid, Xanthan Gum, Dehydroacetic Acid, Benzyl Alcohol, Sodium Benzoate, Potassium Sorbate, Sodium Hydroxide, Butylene Glycol, Parfum, Hexyl Cinnamal, Linalool, Hydroxycitronellal.

ACTIVE INGREDIENTS

Red clover extract

Strong antioxidant, it inhibits the aging process, maintains skin tension and prevents it from slackening. It gives moisturizing and smoothing effect. Prevents the expansion of blood vessels. Has a regenerating and strengthening effect.

Rice oil

The content of oryzanol stimulates the skin to self-healing. It inhibits the aging process and strengthens the skin barrier. Vitamin E is an antioxidant – smoothes, moisturizes and maintains the correct skin tension.

CALMING FACE CREAM

Details: A special formula perfect for dehydrated, delicate and thin skin. Light consistency of the cream based on olive oil and shea butter protects the skin from drying and increases the level of moisture. Arnica montana reduces the visibility of redness of skin exposed to external factors and prevents the capillaries dilation. Comfrey and linden extracts as well as specially selected plant oils combined with rose water create a concentrated emulsion which helps keep skin's elasticity and stimulates it to self-regenerate.

How to use: Apply to cleansed face, neck and cleavage and gently massage. Use in the morning and/or evening.

Vascular, overactive, irritated skin

INCI: Aqua, Glycerin, Ethylhexyl Cocoate, Polyglyceryl-3 Methylglucose Distearate, Caprylic/Capric Triglyceride, Olea Europaea (Olive) Husk Oil, Cetearyl Alcohol, Rosa Damascena Flower Water, Butyrospermum Parkii (Shea) Butter, Glyceryl Stearate SE, Theobroma Cacao (Cocoa) Seed Butter, Arnica Montana Flower Extract, Symphytum Officinale Root Extract, Tilia Cordata Flower Extract, Linum Usitatissimum (Linseed) Seed Extract, Tocopherol, Saccharide Isomerate, Carthamus Tinctorius (Safflower) Oil, Calendula Officinalis (Calendula) Flower Extract, Olea Europaea (Olive) Fruit Oil, Citric Acid, Phytic Acid, Sodium Citrate, Sodium Benzoate, Potassium Sorbate, Dehydroacetic Acid, Benzyl Alcohol, Sodium Hydroxide, Parfum, Citronellol, Geraniol, Hexyl Cinnamal, Hydroxycitronellal, Limonene, Linalool.

ACTIVE INGREDIENTS

Arnica montana extract

The richness of flavonoids provides a strong anti-inflammatory effect. The contained essential oils have a disinfecting effect. Arnica strengthens the skin barrier, preventing overreactivity and dilation of blood vessels.

Olive oil

The source of essential fatty acids that are important in the proper functioning of the skin barrier – they provide protection against the action of external factors. Vitamin F controls proper skin hydration, preventing TEWL. The richness of vitamins has an antioxidant activity, inhibits the aging process, smoothes the skin, gives it a radiant appearance. Olive also relieves irritation and redness of the skin, as well as helps the fight with blemishes (pimples). Gives the skin smoothness and softness.

LIGHT BALANCING CREAM

Details: Cream-gel with a light, non-greasy consistency, dedicated for complete care of oily and combination skin. Specially selected active natural ingredients used in the formulation present anti-inflammatory effects, thus reducing skin imperfections. Black seed and safflower oils as well as herbal extracts from horsetail and willow reduce the activity of sebaceous glands, thus reducing the secretion of sebum. Plant oils in the formula are responsible for proper hydration and acceleration of regeneration processes. Rice powder gives the smoothing and mattifying effect without the feeling of puckered or dry skin, thanks to which the formulation is an excellent make-up base.

How to use: Apply to cleansed face, neck and cleavage, avoiding the eye area. Perfect as a make-up base.

Oily, mixed, acne skin

INCI: Aqua, Caprylic/Capric Triglyceride, Glycerin, Decyl Oleate, Vitis Vinifera (Grape) Seed Oil, Carthamus Tinctorius (Safflower) Oil, Nigella Sativa (Black Seed) Seed Oil, Salix Alba Bark Extract, Oryza Sativa Hull Powder, Bisabolol, Panthenol, Sorbitan Laurate, Glyceryl Stearate Citrate, Cucumis Melo Fruit Extract, Daucus Carota Sativa (Carrot) Root Extract, Daucus Carota Sativa (Carrot) Seed Oil, Helianthus Annuus (Sunflower) Seed Oil, Sodium Hyaluronate, 10-Hydroxydecanoic Acid, Sebacic Acid, 1,10-Decanediol, Equisetum Arvense Extract, Tocopherol, Polyglyceryl-4 Laurate, Dilauryl Citrate, Beta-Carotene, Ascorbyl Palmitate, Hydroxyethylcellulose, Xanthan Gum, Bentonite, Sodium Benzoate, Potassium Sorbate, Dehydroacetic Acid, Benzyl Alcohol, Sodium Hydroxide, Butylene Glycol, Parfum, Limonene.

ACTIVE INGREDIENTS

Safflower oil

It is dedicated primarily to skins that are oily, mixed, problematic: acts anti-inflammatory and antibacterial. At the same time, it nourishes properly, preventing skin dryness. In addition, the vitamins E and A contained in the oil show anti-aging and smoothing effects.

Rice powder

It absorbs the sebum, smoothes the skin and gives a satin finish effect.

OVERNIGHT REGENERATION CREAM/MASK

Details: Thick and extremely rich in carefully selected active ingredients cream/mask with wide spectrum of use, created for demanding skin. The formula based on nourishing oils and shea butter provides an adequate level of hydration, supports skin regeneration processes and stimulates its natural regeneration system, maintaining skin firmness, tension and elasticity. Tomato and cranberry seed oil is a natural complex with a strong antioxidant effect which provides intense protection against the harmful effects of free radicals. Glycyrrhizinic acid supports the anti-age effect and smooths the skin, reducing the wrinkles in the same time.

How to use: Apply a thick layer on cleansed and toned skin of the face, neck and cleavage. Do not rinse.

All skin types that require regeneration

INCI: Aqua, Butyrospermum Parkii (Shea) Butter, Helianthus Annuus (Sunflower) Seed Oil, Caprylic/Capric Triglyceride, Glyceryl Stearate SE, Cetearyl Alcohol, Glyceryl Stearate Citrate, Glycerin, Rubus Idaeus (Raspberry) Seed Oil, Prunus Amygdalus Dulcis (Sweet Almond) Oil, Glycyrrhiza Glabra Extract, Hippophae Rhamnoides Fruit Extract, Vitis Vinifera (Grape) Seed Oil, Solanum Lycopersicum (Tomato) Seed Oil, Vaccinium Macrocarpon (Cranberry) Seed Oil, Lycopene, Tocopherol, Panthenol, Dipotassium Glycyrrhizate, Sodium Hyaluronate, Allantoin, Phytic Acid, Sodium Citrate, Xanthan Gum, Sodium Benzoate, Potassium Sorbate, Dehydroacetic Acid, Benzyl Alcohol, Sodium Hydroxide, Parfum, Limonene, Linalool.

ACTIVE INGREDIENTS

Raspberry seed oil

It shows a soothing effect on erythema/irritation. It has anti-inflammatory properties, moisturizes, elasticizes. It is a strong antioxidant. It improves the functioning of sebaceous glands.

Shea butter

An excellent source of vitamins A, E, F. It has a soothing effect, regenerates, makes skin more elastic. Supports regenerative processes and skin reconstruction.

SPOT BLEMISH TREATMENT GEL

Details: Concentrated spot treatment gel provides excellent SOS care for active skin imperfections. Its effective formula is based on a range of well selected ingredients with exfoliating, smoothing and seborregulatory properties. Additionally, the formulation has been enriched with a complex of glycolic, lactic and citric acids which are proved to eliminate skin imperfections.

How to use: Apply 1-2 times a day on cleansed facial skin. Do not use on damaged and irritated skin.

All skin types (spot problems)

INCI: Aqua, Glycolic Acid, Lactic Acid, Glycerin, Polyglyceryl-4 Caprate, Terpineol-4, Salix Alba Bark Extract, Salicylic Acid, Ananas Sativus Fruit Extract, Allantoin, Citric Acid, Pullulan, Xanthan Gum, Lysolecithin, Sclerotium Gum, Methylpropanediol, Sodium Benzoate, Potassium Sorbate, Dehydroacetic Acid, Benzyl Alcohol, Sodium Hydroxide, Parfum, Citral, Citronellol, Hydroxycitronellal, Linalool.

ACTIVE INGREDIENTS

AHA/BHA Acid complex (glycolic, lactic, citric, salicylic)

Multidirectional normalizing activity, exfoliating, brightening, bacteriostatic, anti-inflammatory, and also moisturizing.

Pineapple extract

Bromelain enzyme source: the action is anti-inflammatory, accelerates regeneration and exfoliates the skin. It supports the fight against skin imperfections and exhibits a delicate brightening action.
